5th October 2010

Dear David

Thank You:

Just a quick note to thank you for the treatment that you have recently given to my mother when she visited for her neck and shoulder pain.

Your patience, interest and care were really appreciated and she has asked me to pass on her thanks as she felt comfortable and at ease during treatment - she is already giving your name to her friends.

With very many thanks once again.

Kindest regards

Fiona Edwards
