

24/9/12

Dear David,

Just wanted to express my gratitude, with the treatment and advice I received after visiting you for neck pain!

The problem went away after the day after seeing you! I've seen many osteopaths, chiropractors etc, not only are your rates a lot lower, your honest advice and treatment very effective.

I would not hesitate in recommending any of my friends or colleagues to you.

Many thanks

Neil Gohil

Managing Director
